

ADD ACCREDITED CREDIT CARD

WALKTHROUGH

Access the WebPOS home page (URL <http://www.alliancepos.net>) and click on Headquarter System.

To add an accredited credit card, click on Master Records > Credit Card Master> New

Input **Account ID** (alphanumeric field inc. special characters) or tick the Auto Generate ID checkbox for a system-generated code

Enter **Credit Name** (name of credit card)

Input **Memo**. This field is optional.

Credit Detail

CREATED: KLEB@ASH-EBS.COM 02/06/2012

Credit ID: *

Credit Name: *

Memo:

Accredited credit cards will be the only ones that are viewable and usable by the cashier in transacting.

The credit cards below are generated by default.

To add a new record, click New.

To remove, click on the name and click Delete.

To edit, click on the name and click Edit.
