

CHANGE OWNERSHIP

WALKTHROUGH

Access the WebPOS home page (URL <http://www.alliancepos.net>) and click on New User Sign-up.

Should you want to pass ownership of your company to another party, make sure that the new user has already signed up or registered using New User Sign-up (New User)

Change Ownership of Company

Enter the New Owner's Email which should be the same as the one used in New User Registration. Click on Verify Login ID. Once verified, it will automatically fill in the Name and Active fields.

The image shows a 'Change Ownership' dialog box with a blue header and footer. The main content area is white. It contains the following fields and controls:

- Current Owner:** Krystal Kaye Lee
- Password:** A text box containing eight asterisks (*****).
- New Owner's Email:** * newowner@email.com (The asterisk indicates a required field).
- Verify Login ID:** A button with a person icon and the text 'Verify Login ID'.
- Name:** A text box that is currently empty.
- Active:** A text box that is currently empty.
- Buttons:** 'OK' and 'Cancel' buttons are located at the bottom right of the dialog box.

Click OK when done.
