

# **PRINT PRODUCT PRICING**

WALKTHROUGH

Access the WebPOS home page (URL <http://www.alliancepos.net>) and click on Headquarter System.

## Go to Daily Operation > Print Product Pricing

View and print your complete price list as of the specified date (set as filter)

Untick the checkbox of Show Price Options to see final pricelist with the option to print price tags with barcodes

You can adjust product filters to view a single product, product class, product category or all products in your inventory

**Search Product Pricing**
