Security Question:

Answer: *

 Sign Up

Fill in all required fields (fields with *) including an active email address.

The password encoded here will be the same as the one required to access Control Panel and Headquarter modules.

You may choose from three security questions and encode your answer. This question-answer combination will be used when you forget your password.

Once done, click on Sign Up.

An email verification will be sent to the email address used in registration. Click on the link sent to your email address before you can proceed with WebPOS.

You have signed up with Alliance WebPOS.
Please confirm your account by clicking this link.
